More fun inside...

Print Book, Meet Audio Book.

VOX Books are the world's first audio books that live in print books. The permanently attached VOX Reader transforms an ordinary print book into an all-in-one read-along. No need for computers, devices, batteries, or CDs — children simply push a button to listen and read.

VOX Books combine outstanding picture books, chapter books, and non-fiction titles with audio recordings that capture children's attention and make learning and literacy development fun.

VoxBooks™
Books that Talk!

- The all-in-one design means that VOX Books are fully portable.
- The 'kid tough' design and manufacturing are backed by an 18-month warranty.
- Titles come with both a speaker and an audio jack, so both individual and group learning are supported.
- The high-capacity battery charges quickly and lasts up to 150 plays.
- A micro-USB port allows for easy charging using common 5V (Android) chargers.
- The Book's great overall design, with the player in the center of the cover, makes VOX Books sturdy and easy to shelve.

"Featuring varied, continually updated titles that will appeal to children, VOX Books are a fun way to promote reading and could very well be some of the most circulated items in a library. Recommended purchase for children's libraries that will be immensely popular with patrons."

iVOX is a revolutionary take on read-alongs for children ages 2-10. It is our wildly popular VOX Books experience, integrated and expanded into an interactive adventure using state-of-the-art technology.

"iVOX can add engagement to reading programs." – AASL Award Committee Chair Sam Northern

"This new app has a great deal of possibilities for development and is a strong purchase for a library to add to its digital collection." —SLJ Tech Review, November 2021

"We love the iVOX app, especially at this time where virtual books are so important. The demand for these have exceeded our expectations and we've now increased our budget for these cutting-edge virtual and immersive books. Our clients love them!" —June C., Librarian from Stark County (OH) Library

Abdul's Story

A 2022 New York Public Library Best Book for Kids!

A little boy who loves storytelling but struggles with writing learns that it's okay to make mistakes in this charming and encouraging picture book from the author of Mommy's Khimar.

Clayton Byrd Goes Underground

From beloved Newbery Honor winner and three-time Coretta Scott King Award winner Rita Williams-Garcia comes a powerful and heartfelt novel about loss, family, and love that will appeal to fans of Jason Reynolds and Kwame Alexander.

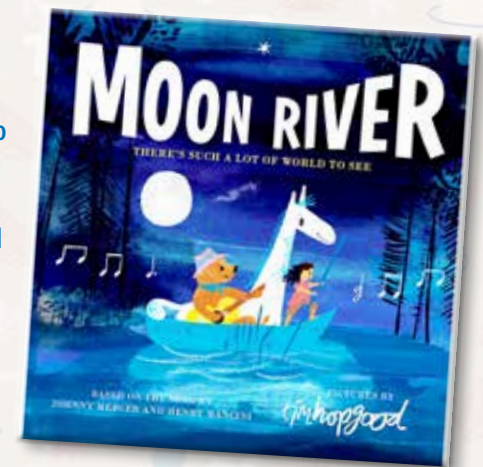

Corgi State of Mind

Learn the corgi way of life! Practice positive affirmations with Corgi as he shares with you his daily mantras and cheery outlook on life. Written in Traditional Chinese, Pinyin and English. This book is intended for non-native Chinese speakers and an easy way to learn Chinese.

Moon River

Follow a girl (accompanied by her teddy bear) "two drifters") as she dreams about the wide and wonderful world. Cozy scenes of pajamas and bedtime make this a perfect story to share at the end of the night.

Sam & Dave Dig a Hole by Mac Barnett

Sam and Dave are on a mission. A mission to find something spectacular. So they dig a hole. And they keep digging. And they find . . . nothing. Yet the day turns out to be pretty spectacular after all.

—Caldecott Honor

“When I walk to our read-along shelves, I find that the VOX book side is nearly or even completely empty and the books + CD side is always full. That compelling visual speaks to the success and popularity of VOX books as a format that resonates with today’s parents and young readers. We will definitely add more VOX books to our collection.” — K. Cooper Senior Librarian, Selection & Interlibrary Loan Collection Management, Montgomery County Public Library

freegalmusic+

Freegal is a treasure trove of over 18 million songs across the musical spectrum, from classical to pop to world music to jazz to rock to blues.

You can offer this incredible collection of music to all your patrons simultaneously, on an unlimited streaming usage plan, for a fixed annual fee.

Rocket Languages
Let's get talking

Rocket Languages contains hundreds of hours of lessons, and a state-of-the-art voice recognition system that allows learners to perfect their pronunciation.

All of the world's major languages are represented in Rocket Languages, including American Sign Language, while still being one of the most cost-effective language learning programs on the market.

Online Book Club

The Online Book Club is open for book discussions 24x7. Your patrons are busy, and may only have limited free time, and only at odd hours.

The Online Book Club helps you reach these otherwise unreachable patrons. Offering professional moderation, it's as turnkey as your library needs it to be. Library staff can co-moderate, or they can sit back and just watch the conversations unfold.

FREADING
a new look at library lending

Freanding offers a broad collection of over 200,000 ebook titles in 29 languages, spanning every genre.

Freanding's cost-per-circ model allows for unlimited simultaneous access, which means that your patrons can enjoy Freanding with no muss, no fuss—and no holds queues.

ir books™
immersive reality

“When employing the Immersive Reality (IR) app, children become immersed in a reality-based digital environment in which

they are stimulated multimodally, and in a manner which requires them to establish a spatial presence. As their spatial awareness increases, so does their ability to learn maximally.”

— *“Inspiring Early Readers: New Technology and Formats Show Efficacy”* by Dana M. Reisboard, PhD

“IVOX ebooks are multi-sensory experiences which enhance the child’s ability to process information

and to develop understanding of content ... reduce cognitive load and allow children to derive the same literacy benefits they do when reading traditional print books”
