Print Book, Meet Audio Book.

VOX Books are the world's first audio books that live in print books. The permanently attached VOX Reader transforms an ordinary print book into an all-in-one read-along. No need for computers, devices, batteries, or CDs — children simply push a button to listen and read.

VOX Books combine outstanding picture books, chapter books, and non-fiction titles with audio recordings that capture children's attention and make learning and literacy development fun.

VoxBooks™
Books that Talk!

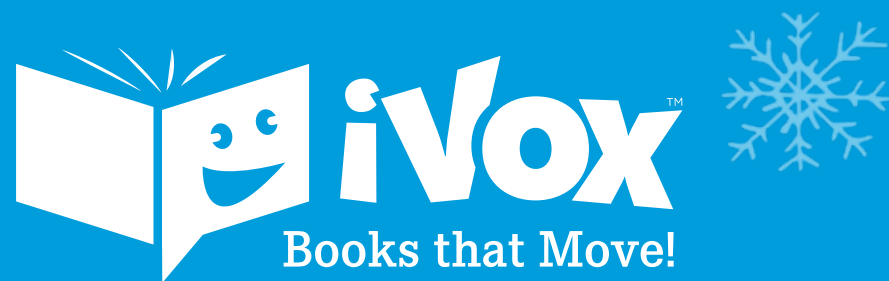

- The all-in-one design means that VOX Books are fully portable.
- The 'kid tough' design and manufacturing are backed by an 18-month warranty.
- Titles come with both a speaker and an audio jack, so both individual and group learning are supported.
- The high-capacity battery charges quickly and lasts up to 150 plays.
- A micro-USB port allows for easy charging using common 5V (Android) chargers.
- The great overall design with the player in the center of the cover makes VOX Books sturdy and easy to shelf.

"Featuring varied, continually updated titles that will appeal to children, VOX Books are a fun way to promote reading and could very well be some of the most circulated items in a library. Recommended purchase for children's libraries that will be immensely popular with patrons."

Billy the Kid Makes It Big by Dolly Parton & Erica S. Perl

From the legendary Dolly Parton comes a story about her god-dog and Instagram personality, Billy the Kid, who is hoping to make it big as a country music star in Nashville, Tennessee. Written by Dolly Parton with Erica S. Perl and illustrated by MacKenzie Haley, this is a delightful picture book about standing up to people (and dogs) who put you down and finding the drive to achieve your dreams.

The Big Cheese by Jory John

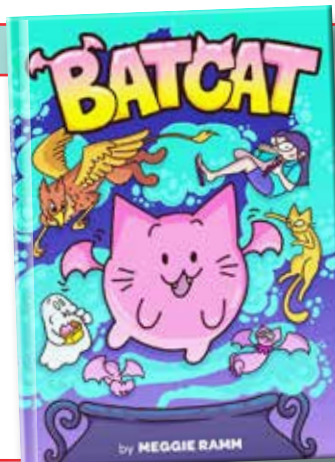

The Big Cheese is the best at everything, and brags about it, too. When the annual Cheese-cathlon comes around, the Big Cheese is prepared to win, as always. But

what happens when the quiet new kid, Wedge Wedgeman, comes out on top? Is a slice of humility all the Big Cheese needs to discover that some things are better than being the best?

Batcat by Meggie Ramm

Batcat loves being all alone in their home on Spooky Island. Up in their tree house, they pass the time playing video games and watching TV. But when Batcat suddenly finds themselves haunted by an annoying, ice cream-stealing ghost, they visit the local Island Witch for a spell to remove their ghastly guest permanently!

“VOX Publishing Products have been found to possess important features which lead to advanced literacy development in children.”

— *“Inspiring Early Readers: New Technology and Formats Show Efficacy”* by Dana M. Reisboard, PhD

ir books™
immersive reality

“When employing the Immersive Reality (IR) app, children become immersed in a reality-based digital environment in which

they are stimulated multimodally, and in a manner which requires them to establish a spatial presence. As their spatial awareness increases, so does their ability to learn maximally.”

— *“Inspiring Early Readers: New Technology and Formats Show Efficacy”* by Dana M. Reisboard, PhD

Books that Move!

“IVOX ebooks are multi-sensory experiences which enhance the child’s ability to process information

and to develop understanding of content ... reduce cognitive load and allow children to derive the same literacy benefits they do when reading traditional print books”
