ABOUT ROCKET LANGUAGES

Rocket Languages is an award-winning interactive online language learning system developed for libraries. The interactive, comprehensive app allows patrons to learn conversational languages at their own pace.

All of the world's major languages are covered in Rocket Languages, including American Sign Language—a feature unavailable in most other language learning services. Every sort of learner (audio, visual, reading/writing, and even kinesthetic) is supported by interactive activities and games that improve speaking, listening, writing and recall skills. This multi-faceted system truly allows patrons to learn languages at their own pace, on their own terms.
